# Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Technical Services Staff, DDP

DATE: 18 FEB 1957

FROM : Director of Communications

*Comm*

SUBJECT: Infrared Study

REF : Infrared Study Proposal by the [redacted] dated 10 December 1956

50X1

50X1

We have reviewed the referenced proposal which was submitted to your Applied Physics Division by the [redacted]

50X1

[redacted] Our conclusion is that acceptance of this proposal will further the development of the art of infrared communications by providing factual data on new components and theoretical considerations not currently available. We therefore concur with your acceptance of the [redacted] proposal.
